

Roulotte Shawl

Shanel Wu (Piper Nell)

Pack your bags and hop onto the caravan! The Roulotte ("caravan" in French) shawl is an epic journey through landscapes of mosaic knitting and lace. Without any purls to slow you down, the trip will simply fly by!

Yarn Requirements

Fingering weight yarn in 4 colors: three main colors MC1, MC2, MC3; one contrast color CC.

Sample used Toad Hollow Drusilla (superwash merino/nylon, 400yds/100g).

- 360yds CC - "Nomad"
- 180yds MC1 - "Free Spirit"
- 260yds MC2 - "Eleutheromania"
- 260yds MC3 - "Lady Defiance"

Tassels used an additional 20 yds each.

Sizing

One size. Sample measures 85"/216 cm from tip-to-tip and 24"/60cm deep after moderate blocking.

Gauge: 5 sts in 1"/2.5cm

Gauge was measured in unblocked, unstretched garter stitch. It is not critical for the shawl, but a different gauge may change the yardage required or the size of the shawl.

Tools

- 40" circular needle in size needed to obtain fabric of your liking.
Suggested size: US5/3.75mm
- tapestry needle
- (optional) cardboard for making tassels
- (optional) crochet hook for fringe

Techniques

This pattern is suitable for an intermediate knitter. Prior to knitting this pattern, you should be familiar with casting on, knitting, slipping stitches, and basic lace involving yo, k2tog, and ssk. Some support is provided for striping yarns and reading mosaic knitting charts. For a complete list of stitches used, see Pattern Key.

Modification Suggestions: If you are running low on CC for the final section, you might:

- Only work Rows 1-3 then skip to bind-off.
- Work all rows and bind-off, but mix stripes of CC, MC1, MC2, and/or MC3.
- Stripe the i-cord bind-off.

Final Section and Bind Off

Break MC3. Continuing in CC, work the following rows:

Row 1 (RS): k3, kfb, k to last 4 sts, kfb, sl3 wyif. (+2 sts)

Row 2 (WS): k3, kfb, k7 (the next stitch should be above an elongated slip st), *[yo, kfb, yo, k7]* to 9 sts from end, k5, kfb, sl3 wyif.

(increased 2 + 3(56) = 170 sts)

Row 3: k3, kfb, k to last 4 sts, kfb, sl3 wyif.

(+2 sts)

Row 4: k3, kfb, k10, *[yo, k1, yo, k1, yo, k9]* to 10 sts from end, k6, kfb, sl3 wyif.

(increased 2 + 3(56) = 170 sts)

Row 5: k3, kfb, k to last 4 sts, kfb, sl3 wyif.

(+2 sts)

812 sts total.

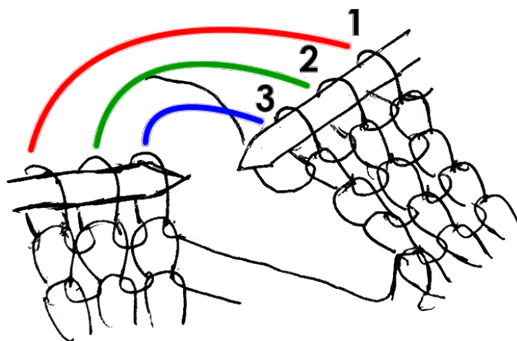

Turn work to WS and work 4 rounds of i-cord as follows:

I-cord: K 3 sts. Keeping yarn in back, slip the 3 sts on R needle back to the L needle.

Bind-off sts on WS as follows, until there are 6 sts left on the needle.

I-cord Bind-off: k2, k2tog. Keeping yarn in back, slip the 3 sts on R needle back to the L needle.
(-1 st)

At the end of the bind-off, work 3 rounds of i-cord, then graft the first 3 sts to the last 3 sts as shown below.

Finishing

Block shawl, taking care to pin out each scallop of the final section. Weave in all ends.

If desired, attach tassels or fringe as suggested in **Special Techniques**.

Special Techniques

Striping Yarns

When working the mosaic patterns, you will only use one color at a time and leave the other hanging on the end of your row. When you switch colors at the beginning of a row, drop the old color, then pick up the new color from underneath the old color to lock in the hanging yarn.

Reading Mosaic Charts

In this particular compact style of mosaic chart, I have compressed two rows of knitting into one charted row. Each row of the chart should be read twice: once from right to left, then again from left to right. For further information on mosaic charts, refer to this [Interweave article](#).

Making Tassels

Use any selection of MC1, MC2, MC3, and/or CC to make your tassels.

1. Wrap yarn 60 times (or to desired density) around a piece of cardboard approx. 6"/15cm wide.
2. Cut an 8"/20cm length of yarn to tie the loops together at the top of the cardboard, using a tight double knot.
3. Cut the loops at the bottom of the card to create the bottom of the tassel.
4. Create the head of the tassel using another 8"/20cm length of yarn to wrap around the top of the tassel and weaving in the ends.
5. Trim ends to an even length.
6. Attach tassel to the bind-off corner loops using the ties.

Attaching Macrame Fringe

Use any selection of MC1, MC2, MC3, and/or CC to make fringe. For example, you might use MC1, MC2, and MC3 in a repeating sequence.

1. Create 58 bundles of yarn for each scallop of the edge (including the loops at the beginning and end), each having five 2ft/60cm lengths of yarn.
2. Fold each bundle in half to create a loop at one end. Using a crochet hook, hook loop through an eyelet on the edge, then pull the loose ends through to tie a lark's head knot. Each fringe bundle should have 10 ends of yarn.
3. Taking 5 ends from one bundle and 5 ends from the bundle next to it, tie them together in an overhand knot approx. 2"/5cm from the lark's head knot. Repeat across the shawl, leaving 5 ends on the first and last bundles loose.
4. Take the 5 loose ends from the first bundle and 5 ends from the next bundle, then tie them together in an overhand knot approx. 2"/5cm from the previous overhand knot. Repeat across the shawl to form diamonds.
